

## **JOB OPPORTUNITY**

Kanji & Katzen, P.L.L.C, is accepting applications for an associate attorney position to work remotely or in person at either of our office locations (Seattle, WA or Ann Arbor, MI). Kanji & Katzen's nationwide legal practice focuses on the representation of tribes, tribal organizations, and tribal members. The firm assists tribes in protecting their sovereignty, their natural and cultural resources, and their lands, and in pursuing economic development projects. The firm expects its attorneys to devote their careers to advocacy on behalf of tribes. Given the composition of the firm's caseload, a keen interest in and knowledge of environmental and natural resources law, in addition to federal Indian law, would be helpful. However, prior experience in the fields of Indian and/or environmental law are not pre-requisites to employment.

Applicants should possess a stellar academic and professional record, as well as a willingness to work enthusiastically and creatively on behalf of tribes. Applicants should also have at least 2 years of litigation experience after a judicial clerkship or law school.

The firm offers competitive salary and benefits packages, as well as an opportunity to hone advocacy skills in a wide variety of interesting settings. To learn more about the firm, please see our website at [www.kanjikatzen.com](http://www.kanjikatzen.com).

To apply, please send by email a cover letter, resume, law school transcript, a writing sample, and references, to [employment@kanjikatzen.com](mailto:employment@kanjikatzen.com). We prefer to receive the application documents combined into a single pdf file.
