- Partner level or senior associate level with substantial experience litigating CERCLA and other hazardous substance matters, including the handling of discovery, expert and fact depositions, fact investigation and motion practice
- First chair or similar level of trial experience
- Outstanding writing, analytical, and advocacy skills
- The ability to interact well with clients, courts, and opposing counsel
- Strong record of leadership and academic excellence
- Admission to practice in California strongly desirable
- Excellent judgment and ability to work independently as well as part of a team
- A willingness to accept responsibility and provide high quality legal services
- Location in or willingness to relocate to California or Denver
- A collegial, team-focused approach to the practice of law
- A shared commitment to the Firm's values with respect to equity, diversity, and inclusion; mutual respect and collegiality; and uncompromising high-quality work product

In addition, Kaplan Kirsch & Rockwell will consider favorably candidates with:

- Experience practicing before federal and state courts in southern California
- Experience representing clients on matters involving environmental regulatory agencies in California
- An entrepreneurial mindset

**Job Type:** Full Time, 40+ hours per week

**Salary Range:** Depends on experience and other factors. Senior associate hire: \$175,000 to \$200,000 per year, commensurate with experience. Compensation for a partner will depend on experience.
