Fintech - Associate Attorney – Midlevel to Senior
Technology Transactions & Privacy
Job #A20200909B – Palo Alto, California

Perkins Coie LLP is seeking mid to senior-level associates to join its expanding Technology Transactions, and Privacy practice. Positions are available in the firm's Seattle, Palo Alto, San Diego, Chicago, NY and DC offices. Our ideal candidate will have substantive experience handling product development, regulatory, legal and transactional issues facing payment processors and systems, retailers, merchants, Fintech companies, lenders and other financial services providers. Strong transactional experience in handling alternative lending arrangements, electronic payments and payment card agreements, including co-branded credit cards and prepaid cards and products, complex technology transactions, licensing, and payment and financial services matters related to emerging and traditional payment systems, services, and products, and consumer financial services is a must. Experience working with clients on federal and state regulatory licenses and applications, compliance and enforcement matters, complex bank and money transmission regulatory issues, privacy, and cyber security is a plus. Excellent academic credentials are required. To apply, please access the link below and attach your cover letter, resume and law school transcript.
